

# Belong. Serve. Impact.

Explore membership on our Associate Board.

From leadership opportunities to being a listening ear for a teen who has been abused or neglected, the **Lawrence Hall Associate Board has a place for you.**

## Lead teens through new experiences

Remember field trips? They provide exposure to new ideas, cultures, and ways to see the world. Associate Board members plan monthly events for our residential youth and allow them to learn through fun, hands-on activities such as:

- Ice skating
- Boat rides
- Bubble soccer
- Cultural events
- Sporting events
- Games in the park
- Museum visits

## Fundraise to support Lawrence Hall's youth

The Associate Board's yearly fundraiser not only funds the monthly youth events,

but it also enables Lawrence Hall to continue providing programs and services towards healing, stability, and growth for everyone who comes through the doors.

## Network with fellow big-hearted professionals

Give back and get connected. Meet people from professional sectors all over Chicago who are just as passionate as you are about the future of Chicago's youth.
