

# Where students learn their way

The Therapeutic Day School offers individualized programs to students with emotional, intellectual or learning challenges, autism, traumatic brain injury and other health impairments. We help each learner find what works for them, so they can confidently grow their academic, social and job skills.

Students also have the opportunity to discover new passions by participating in physical recreation and expressing themselves through visual arts.

## Our Impact

# 61

YOUTH SUPPORTED ANNUALLY

# 83%

OF STUDENTS EARNED PASSING GRADES

# 82%

OF STUDENTS SAY THE PROGRAM HAS HELPED THEM

# “

When I came to Lawrence Hall, I was depressed. I started in art class and, through art, I learned to express myself, learning ways to cope.

— KIERA  
TDS student
